ABOUT OUR COMPANY

Founded in 2019, XI Consult Corp (XICC) is a full-managed information technology and management consulting firm with an array of experience in delivering cyber security, managed IT services, cloud solutions, and engineering professional services positioned to partner with federal, state and local government agencies, as well as private sector businesses, to meet their performance needs and small business requirements. Our mission is to understand and meet the needs of both our customers and consultants by delivering quality, value-added solutions.

CORE SERVICES

CLOUD SOLUTIONS

Our team of cloud consultants, business analysts, developers, and DevOps engineers will ensure that your cloud environment is efficient, safe, and high-performing.

CYBER SECURITY

Providing cyber security and IT services against emerging threats, complying with defense, federal, state, and local government regulations to safeguard critical information.

MANAGED IT SERVICES

Our team has a broad range of expertise in many areas of Information Technology, and provides customized, industry leading support to public and private organizations. We work hard to empower our clients to make safer, better, faster and more informed decisions.

DIFFERENTIATORS

- Extensive expertise in cybersecurity and IT compliance
- Tailored IT solutions for government and private sector clients
- Certified and experienced professionals delivering industry-leading services

CORE COMPETENCIES

We provide and deliver innovative solutions to ensure mission assurance and operational resilience to our customers through cyber security, managed IT services, and cloud computing for our customers critical applications/systems.

PAST PERFORMANCE

XI Consult Corp has successfully provided cutting edge IT solutions to federal and state agencies, ensuring compliance, security, and operational efficiency. Our team is committed to delivering excellence in IT services and consulting.

“Your Trusted Partner in Cyber Security, IT Management, and Cloud Solutions.”
